NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION

TO: ALL PERSONS WHO PURCHASED THE COMMON STOCK OF ALLSCRIPTS HEALTHCARE SOLUTIONS, INC. (“ALLSCRIPTS” OR THE “COMPANY”) BETWEEN NOVEMBER 8, 2010 AND APRIL 26, 2012, INCLUSIVE

PLEASE READ THIS NOTICE CAREFULLY AND IN ITS ENTIRETY. YOUR RIGHTS MAY BE AFFECTED BY PROCEEDINGS IN THIS ACTION. PLEASE NOTE THAT IF YOU ARE A CLASS MEMBER, YOU MAY BE ENTITLED TO SHARE IN THE PROCEEDS OF THE SETTLEMENT DESCRIBED IN THIS NOTICE. TO CLAIM YOUR SHARE OF THIS FUND, YOU MUST SUBMIT A VALID PROOF OF CLAIM AND RELEASE FORM POSTMARKED OR SUBMITTED ONLINE ON OR BEFORE JULY 22, 2015.

A federal court authorized this Notice. This is not a solicitation from a lawyer.

This Notice has been sent to you pursuant to Rule 23 of the Federal Rules of Civil Procedure and an Order of the United States District Court for the Northern District of Illinois (the “Court”). The purpose of this Notice of Pendency and Proposed Settlement of Class Action (“Notice”) is to inform you of the proposed settlement of this securities class action litigation (the “Settlement”) and of the hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement. The Settlement resolves the Class’ claims asserted against the Defendants. This Notice describes the rights you may have in connection with the Settlement and what steps you may take in relation to the Settlement and this class action litigation.

The proposed Settlement creates a fund in the amount of Nine Million Seven Hundred Fifty Thousand Dollars (\$9,750,000.00) in cash plus interest that accrues on the fund prior to distribution. Based on the information currently available to Lead Plaintiffs and the analysis performed by their damages consultant, it is estimated that if Class Members submit claims for 100% of the shares eligible for distribution, the estimated average distribution per share will be approximately \$0.10 before deduction of Court-approved fees and expenses. Historically, actual claims rates are less than 100%, which result in higher distributions per share. Your actual recovery from this fund will depend on a number of variables, including the expense of administering the Settlement, number of claimants, the amount of Allscripts common stock you and they purchased, the amount of Allscripts common stock you and they sold, and the timing of your purchases or sales, if any (see the Plan of Allocation below for a more detailed description of how the settlement proceeds will be allocated among Class Members).

The Defendants have denied and continue to deny each and all of the claims and contentions alleged in the Action. The issues on which the parties disagree include, but are not limited to: (1) whether the statements made or facts allegedly omitted were false, material, or otherwise actionable under the federal securities laws; (2) the extent to which the various matters that Lead Plaintiffs alleged were materially false or misleading influenced (if at all) the trading price of Allscripts common stock; (3) the extent to which the various allegedly adverse material facts that Lead Plaintiffs alleged were omitted influenced (if at all) the trading price of Allscripts common stock; (4) the extent to which external factors, such as general market conditions, influenced the trading price of Allscripts common stock; (5) the effect of various market forces influencing the trading price of Allscripts common stock; (6) the amount by which the price of Allscripts common stock was allegedly artificially inflated (if at all); and (7) the appropriate economic model for determining the amount by which the price of Allscripts common stock was allegedly artificially inflated (if at all). Lead Plaintiffs and Defendants do not agree on the average amount of damages per share that would be recoverable if Lead Plaintiffs were to have prevailed on each claim asserted. The Defendants deny that they have violated the federal securities laws or any laws.

Lead Plaintiffs believe that the proposed Settlement is a good recovery and is in the best interests of the Class. There were significant risks associated with continuing to litigate through trial, and if the Defendants succeeded in dismissing the Action, at summary judgment, or prevailed at trial, the Class would receive nothing. In addition, the amount of damages recoverable by the Class was and is challenged by the Defendants. Recoverable damages in this case are limited to losses caused by conduct actionable under applicable law, and had the Action gone to trial, the Defendants intended to assert that all

of the losses of Class Members were caused by non-actionable market, industry, general economic or company-specific factors, other than the revelation of the facts alleged to be misleadingly stated or omitted.

Lead Counsel have not received any payment for their services in conducting this Action on behalf of Lead Plaintiffs and the members of the Class, nor have they been paid their litigation expenses. If the Settlement is approved by the Court, Lead Counsel will apply to the Court for attorneys' fees of up to 33% of the settlement proceeds plus expenses not to exceed \$170,000, plus interest on such amounts, all of which shall be paid from the Settlement Fund. If the amounts requested by counsel are approved by the Court, the average cost per share would be approximately \$0.035.

This Notice is not an expression of any opinion by the Court about the merits of any of the claims or defenses asserted by any party in this Action or the fairness or adequacy of the proposed Settlement.

For further information regarding this Settlement you may contact: Rick Nelson, c/o Shareholder Relations, Robbins Geller Rudman & Dowd LLP, 655 West Broadway, Suite 1900, San Diego, CA 92101, Telephone: 1-800-449-4900. Please do not call any representative of the Defendants or the Court.

I. NOTICE OF HEARING ON PROPOSED SETTLEMENT

A hearing (the "Settlement Hearing") will be held on **July 22, 2015, at 9:30 a.m.**, before the Honorable Jorge L. Alonso, United States District Judge, at the United States District Court for the Northern District of Illinois, Everett McKinley Dirksen United States Courthouse, Courtroom 1700, 219 South Dearborn Street, Chicago, Illinois 60604. The purpose of the Settlement Hearing will be to determine: (1) whether the Settlement consisting of Nine Million Seven Hundred Fifty Thousand Dollars (\$9,750,000.00) in cash plus accrued interest on the Settlement Amount should be approved as fair, reasonable, and adequate to the Class, which would result in this Action being dismissed with prejudice against the Released Persons as set forth in the Settlement Agreement dated April 1, 2015; (2) whether the proposed plan to distribute the settlement proceeds (the "Plan of Allocation") is fair, reasonable, and adequate; and (3) whether the application by Lead Counsel and Lead Plaintiffs for an award of attorneys' fees and expenses should be approved. The Court may adjourn or continue the Settlement Hearing without further notice to the Class.

Lead Plaintiffs shall expressly and each of the Class Members shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code §1542. Lead Plaintiffs and Class Members may hereafter discover facts in addition to or different from those which he, she or it now knows

Lead Plaintiffs acknowledge, and the Class Members shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and an essential term of the Settlement of which this release is a part.

III. THE LITIGATION

This case is currently pending before the Honorable Jorge L. Alonso in the United States District Court for the Northern District of Illinois (the "Court"). It is brought on behalf of the Class (to be certified for settlement purposes only) of all persons who purchased the common stock of Allscripts between November 8, 2010 and April 26, 2012, inclusive (the "Class Period") and were damaged by Defendants' alleged violations of §§10(b), 20(a), and 20A of the Securities Exchange Act of 1934 ("Exchange Act"). The initial complaint was filed on May 2, 2012, and on November 9, 2012, the Court issued an order appointing The Government of Bermuda Contributory and Public Service Superannuation Pension Plans and the International Brotherhood of Electrical Workers Local Union 38 Pension Fund as Lead Plaintiffs, and Robbins Geller Rudman & Dowd LLP as Lead Counsel. On January 10, 2013, Lead Plaintiffs filed their complaint, which was amended on May 15, 2013 (the "Amended Complaint").

Lead Plaintiffs alleged in the Amended Complaint that during the Class Period, Defendants made false and misleading statements to investors regarding the success of Allscripts' merger with Eclipsys Corporation, and in particular regarding the progress of Defendants' efforts to integrate the two companies' software products and personnel. Lead Plaintiffs further alleged that Defendants' financial guidance for 2012 did not have a reasonable basis, because of the undisclosed obstacles to product integration and discord within the Company. Finally, Lead Plaintiffs alleged that Defendant Shapiro sold 100,000 shares of Allscripts stock while in possession of material, non-public information, in violation of §20A of the Exchange Act.

From the outset of the litigation, Defendants have denied all of these allegations and have consistently maintained that they never made any statement to the market that was or that they believed was false or misleading, that their statements were forward-looking and protected by the Private Securities Litigation Reform Act's Safe Harbor provisions, and that Defendants' stock sales neither violated §20A of the Exchange Act nor supported an inference of scienter. Defendants believed at the time and still believe that, during the Class Period and at all other times, Defendants' public statements were truthful, accurate, and not misleading, including those statements regarding the integration of products and personnel, and that their 2012 financial guidance had a reasonable basis. As a result, and as argued in their motion to dismiss the Action, which is pending at the time of this Settlement, Defendants contend that Lead Plaintiffs did not plead an actionable claim and cannot prove any element of securities fraud, including, but not limited to, scienter.

On May 28, 2013, Defendants moved to dismiss the Amended Complaint with prejudice, asserting that Lead Plaintiffs failed to state a claim for relief and that further amendments would be futile. Lead Plaintiffs filed their opposition on June 24, 2013, and Defendants filed their reply on July 22, 2013. At the time the Settling Parties reached an agreement to settle the Action, Defendants' motion to dismiss the Amended Complaint was pending before the Court.

During the litigation, the Settling Parties participated in a full-day mediation session, as well as numerous follow up communications, with well-respected mediator Hunter R. Hughes, Esq., who has extensive experience mediating complex class action litigations such as this Action. The mediation included the exchange of lengthy briefs detailing the parties' respective arguments concerning liability and damages and substantial communications with the mediator and with each other regarding their respective views of the merits of the Action. The parties ultimately agreed to settle the Action based upon a Mediator's Proposal issued by Mr. Hughes.

IV. CLAIMS OF THE LEAD PLAINTIFFS AND BENEFITS OF SETTLEMENT

Lead Plaintiffs and Lead Counsel believe that the claims asserted in the Action have merit. But Lead Plaintiffs and Lead Counsel recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Action against the Defendants through trial. Lead Plaintiffs and Lead Counsel also have taken into account the uncertain outcome and risks in connection with the pending motion to dismiss, Lead Plaintiffs' forthcoming motion for class certification, Defendants' anticipated summary judgment motion, and a jury trial, especially in complex matters such as this Action, as well as the risks posed by and the difficulties and delays relating to post-trial motions, and potential appeals of the Court's determination of said motions, or the verdict of a jury. Lead Plaintiffs and Lead Counsel also are aware of the risks presented by the defenses to the securities law violations asserted in the Action. Lead Plaintiffs and Lead Counsel believe that the Settlement set forth in the Settlement Agreement confers substantial benefits upon the Class in light of the circumstances present here. Based on their evaluation, Lead Plaintiffs and Lead Counsel have determined that the Settlement set forth in the Settlement Agreement is in the best interests of Lead Plaintiffs and the Class.

V. THE DEFENDANTS' DENIALS OF WRONGDOING AND LIABILITY

The Defendants have denied and continue to deny that they have violated the federal securities laws or any laws and maintain that their conduct was at all times proper and in compliance with all applicable provisions of law. Defendants have denied and continue to deny specifically each and all of the claims and contentions alleged in the Action, along with all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Action. Defendants also have denied and continue to deny, *inter alia*, the allegations that any of the Defendants made, knowingly or otherwise, any material misstatements or omissions; that any member of the Class has suffered any damages; that the price of Allscripts common stock was artificially inflated by reason of the alleged misrepresentations, omissions, or otherwise; or that the members of the Class were harmed by the conduct alleged in the Action or that could have been alleged as part of the Action. In addition, the Defendants maintain that they have meritorious defenses to all claims alleged in the Action.

Nonetheless, taking into account the uncertainty, risks, and costs inherent in any litigation, especially in complex cases such as this Action, Defendants have concluded that further conduct of the Action could be protracted and distracting. Defendants have, therefore, determined that it is desirable and beneficial to them that the Action be settled in the manner and upon the terms and conditions set forth in the Settlement Agreement. As set forth in ¶¶9.2-9.3 of the Settlement Agreement, the Settlement Agreement shall in no event be construed as or deemed to be evidence of an admission or concession by Defendants or any of the Released Persons with respect to any claim of any fault or liability or wrongdoing or damage whatsoever.

VI. TERMS OF THE PROPOSED SETTLEMENT

Defendants shall cause the Settlement Amount to be transferred to an account controlled by the Escrow Agent within ten (10) business days after the later of (a) the order granting the motion for preliminary approval, or (b) the receipt by Defendants' counsel of wire/check payee instructions and a Form W-9 providing the tax identification number for the Escrow Account. These funds, together with any interest and income earned thereon once transferred, shall constitute the Settlement Fund. A portion of the settlement proceeds will be used for certain administrative expenses, including costs of printing and mailing this Notice, the cost of publishing a newspaper notice, payment of any taxes assessed against the Settlement Fund, and costs associated with the processing of claims submitted. In addition, as explained below, a portion of the Settlement Fund may be awarded by the Court to Lead Counsel and Lead Plaintiffs as attorneys' fees and for expenses in litigating the case. The balance of the Settlement Fund (the "Net Settlement Fund") will be distributed according to the Plan of Allocation described below to Class Members who submit valid and timely Proof of Claim and Release forms.

VII. PLAN OF ALLOCATION

The Net Settlement Fund will be distributed to Class Members who submit valid, timely Proof of Claim and Release forms ("Authorized Claimants") under the Plan of Allocation described below. To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, and as is more likely, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants. Payment in this manner shall be deemed conclusive against all Authorized Claimants.

The calculation of claims below is not an estimate of the amount you will receive. It is a formula for allocating the Net Settlement Fund among all Authorized Claimants.

For shares of Allscripts common stock purchased on or after November 8, 2010 through on or before April 26, 2012, the claim per share shall be as follows:

1. If sold prior to April 27, 2012, then the claim per share is zero.
2. If sold on or after April 27, 2012 through on or before July 25, 2012, then the claim per share shall be the least of:
 - (a) \$4.86 per share;
 - (b) the difference between the purchase price per share and the sales price per share; and
 - (c) the difference between the purchase price per share and the average closing price per share from April 27, 2012 up to the date of sale, as set forth in Table A below.
3. If retained at the close of trading on July 25, 2012, or sold thereafter, the claim per share shall be the lesser of:
 - (a) \$4.86 per share; and
 - (b) the difference between the purchase price per share and \$10.55 per share.

The date of purchase or sale is the “contract” or “trade” date as distinguished from the “settlement” date.

For Class Members who held Allscripts common stock at the beginning of the Class Period or made multiple purchases or sales during the Class Period, the First-In, First-Out (“FIFO”) method will be applied to such holdings, purchases, and sales for purposes of calculating a claim. Under the FIFO method, sales of Allscripts common stock during the Class Period will be matched, in chronological order, first against shares of common stock held at the beginning of the Class Period. The remaining sales of common stock during the Class Period will then be matched, in chronological order, against common stock purchased during the Class Period.

A Class Member will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net overall loss, after all profits from transactions in all Allscripts common stock described above during the Class Period are subtracted from all losses. However, the proceeds from sales of common stock that have been matched against the common stock held at the beginning of the Class Period will not be used in the calculation of such net loss. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

The Court has reserved jurisdiction over an appeal by any Class Member of the Claims Administrator’s determinations regarding a Class Member’s claim or to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. Defendants, their respective counsel, and all other Released Persons will have no responsibility or liability whatsoever for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation or the payment of any claim. No Person shall have any claim against the Lead Plaintiffs, Lead Plaintiffs’ counsel, any claims administrator, or other Person designated by Lead Plaintiffs’ counsel, or Defendants or Defendants’ counsel based on distributions made substantially in accordance with the Settlement Agreement and the settlement contained therein, the Plan of Allocation, or further orders of the Court.

VIII. PARTICIPATION IN THE CLASS

If you fall within the definition of the Class, you are a Class Member unless you elect to be excluded from the Class pursuant to this Notice. If you do not request to be excluded from the Class, you will be bound by any judgment entered with respect to the Settlement in the litigation against the Defendants whether or not you file a Proof of Claim and Release form.

If you are a Class Member, you need do nothing (other than timely file a Proof of Claim and Release if you wish to participate in the distribution of the Net Settlement Fund). Your interests will be represented by Lead Counsel. If you choose, you may enter an appearance individually or through your own counsel at your own expense.

TO PARTICIPATE IN THE DISTRIBUTION OF THE NET SETTLEMENT FUND, YOU MUST TIMELY SUBMIT A PROOF OF CLAIM AND RELEASE. A Proof of Claim and Release is enclosed with this Notice or it may be downloaded at www.allscriptssecuritieslitigation.com. The Proof of Claim and Release must be **postmarked (if mailed) or received (if filed electronically) on or before July 22, 2015**. The claim form may be submitted online at www.allscriptssecuritieslitigation.com. Unless the Court orders otherwise, if you do not timely submit a valid Proof of Claim and Release, you will be barred from receiving any payments from the Net Settlement Fund, but will in all other respects be bound by the provisions of the Settlement Agreement and the Final Judgment.

IX. EXCLUSION FROM THE CLASS

You may request to be excluded from the Class. To do so, you must mail a written request stating that you wish to be excluded from the Class to:

Allscripts Securities Litigation
Claims Administrator
c/o Gilardi & Co. LLC
P.O. Box 8040
San Rafael, CA 94912-8040

The request for exclusion must state: (1) your name, address, and telephone number; and (2) all purchases and sales of Allscripts common stock made from November 8, 2010 through April 26, 2012, inclusive, including the dates and prices of each purchase or sale, and the number of shares purchased or sold. **YOUR EXCLUSION REQUEST MUST BE POSTMARKED ON OR BEFORE JULY 1, 2015**. If you submit a valid and timely request for exclusion, you shall have no rights under the Settlement, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Settlement Agreement or the Judgment.

X. DISMISSAL AND RELEASES

If the proposed Settlement is approved, the Court will enter a Final Judgment. The Judgment will dismiss the Released Claims with prejudice as to all Released Persons as provided in the Settlement Agreement.

The Judgment will provide that all Class Members who have not validly and timely requested to be excluded from the Class shall be deemed to have released and forever discharged all Released Claims, including Unknown Claims, against all Released Persons as provided in the Settlement Agreement.

XI. APPLICATION FOR ATTORNEYS' FEES AND EXPENSES

At the Settlement Hearing, Lead Counsel will request the Court to award attorneys' fees of up to 33% of the Settlement Amount, plus litigation expenses not to exceed \$170,000, plus interest thereon. Class Members are not personally liable for any such fees, expenses, or compensation. In addition, Lead Plaintiffs may seek an amount not to exceed a total of \$5,000 for their time and expenses incurred in representing the Class.

To date, Lead Counsel have not received any payment for their services in conducting this Action on behalf of Lead Plaintiffs and the members of the Class, nor have counsel been paid for their expenses. The fee requested by Lead Counsel would compensate counsel for their efforts in achieving the Settlement Fund for the benefit of the Class, and for their risk in undertaking this representation on a contingency basis. The fee requested is within the range of fees awarded to plaintiff's counsel under similar circumstances in litigation of this type.

XII. CONDITIONS FOR SETTLEMENT

The Settlement is conditioned upon the occurrence of certain events described in the Settlement Agreement. Those events include, among other things: (1) entry of the Judgment by the Court, as provided for in the Settlement Agreement; and (2) expiration of the time to appeal from or alter or amend the Judgment. Pending the Court's consideration of this Settlement, the Court has stayed all proceedings, and Class Members are precluded from bringing or pursuing any litigation that seeks to prosecute the Released Claims.

If, for any reason, any one of the conditions described in the Settlement Agreement is not met, the Settlement Agreement might be terminated and, if terminated, will become null and void, and the Settling Parties to the Settlement Agreement will be restored to their respective positions as of February 17, 2015.

XIII. THE RIGHT TO BE HEARD AT THE SETTLEMENT HEARING
